Re: Highland Pool Access, Release and Rules

The Emmett Highland Owners Association, Inc. community pool is nearing completion. We anticipate opening it for use on Friday, May 26, 2023. To gain access to the pool once it is open, please complete and sign the attached Release and return to: Development Services, Inc. Re: Emmett Highland HOA, 9601 W State St. Ste. 203, Boise, ID 83714, 208.939.6000, stephanie@dev-services.com.

The access to the pool area is granted primarily through a cell phone application called “Openpath Mobile Access”:

Once your release is received with the required information. You will receive an email from “Openpath” directing you to install the Openpath mobile application on your phone and complete the setup. Each cell phone access may require a unique cell phone number and email address. Please provide all the requested information on the release to allow for the setup (if you don’t know the lot and block for your address, that is okay).

Once you have received the email and completed setup, step up to the reader outside of the pool gate entry with your cell phone (with the application open) and waive your hand or tap the reader to unlock the gate. The gate should work starting May 26, 2023 during pool hours, 7am – 10pm.

Development Services will work to grant access during the work week as signed releases are received. Please be patient as we are getting the initial setup completed. If you seek access this coming weekend, return your signed and completed release as soon as possible.

There will be traditional cardkey’s available for residents without a smartphone but may take a little bit longer to get delivered.

Pool furniture will be arriving shortly but may not be available this weekend. You may temporarily bring your own chairs until the pool tables and chairs arrive.

Waiver, Release, and Assumption of Risk

PLEASE READ CAREFULLY!

THIS IS A LEGAL DOCUMENT WHICH AFFECTS YOUR LEGAL RIGHTS!

This Waiver, Release, and Assumption of Risk (this “**Release**”) is executed by the undersigned (referred to herein as “**I**” or “**me**”) in favor Emmett Highland Owners Association, Inc., an Idaho non-profit corporation and its manager, and their respective officers, directors, employees, volunteers, agents and affiliates (collectively, the “**Association**”).

Background

The Association owns recreation Common Areas & Facilities, including a pool, sport courts, and other common areas (the “**Common Areas & Facilities**”) that the Association makes available to residents of the Payette River Orchards Subdivision in Emmett, Idaho (aka “Highland”). I desire to use the Common Areas & Facilities for myself and for my spouse, children, guests and tenants, and also for the guests of any of them including minors (all collectively, the “**Permitted Users**”). The Association will not allow the Permitted Users to use the Common Areas & Facilities without this Release, and therefore I am executing this Release so the Permitted Users may use the Common Areas & Facilities. I, the undersigned represent to the HOA that I am a current Homeowner and I further acknowledge, appreciate and agree for myself and on behalf of the Permitted Users the following.

Waiver, Release, and Assumption of Risk

I understand that use of the Common Areas & Facilities presents the risk of personal injury, illness and death, and also the risk of loss or damage to personal property. Some risks may be inherent in the ordinary use of the Common Areas & Facilities and some risks may arise from the negligence of the Association or others, such as other Common Areas & Facilities users. I hereby assume all risks associated with use of the Common Areas & Facilities by the Permitted Users, and I hereby waive, release, discharge, indemnify, and hold the Association harmless from any personal injury, illness or death, and also any loss or damage to personal property, of any kind or nature whatsoever that may arise from use of the Common Areas & Facilities by any of the Permitted Users, or the presence of any of the Permitted Users at the Common Areas & Facilities, even if the same is caused in whole or in part by any fault or negligence of the Association.

Common Areas & Facilities Safety

I am responsible for the safety and the appropriate conduct of all Permitted Users while at the Common Areas & Facilities. I covenant that I will appropriately monitor the Permitted Users while they are using the Common Areas & Facilities, and that I will stop any Permitted User who is engaging in any activity or conduct that is unsafe or inappropriate, or that violates any rules or regulations with respect to use of the Common Areas & Facilities and take appropriate action to prevent reoccurrence of the activity or conduct. I am responsible for ceasing any use of the Common Areas & Facilities by any Permitted Users if I become uncomfortable with any potential risks with respect to use of the Common Areas & Facilities. I agree to report any unsafe condition or activity at the Common Areas & Facilities to the Association.

Medical Care

I authorize the Association to provide or authorize any medical treatment or other care to any Permitted User that Association deems appropriate in any circumstance where, in the Association’s judgment, the Permitted User does not readily appear to have the ability to make reasonable medical treatment and care decisions. I hereby waive, release, discharge and hold the Association harmless from any personal injury, illness, death, expenses (including court costs and attorney’s fees), loss or damage whatsoever that may arise from such medical treatment or other care, even if the same is caused in whole or in part by any fault or negligence of the Association. I understand that the Association does not provide medical insurance and that I am responsible for the cost of any medical treatment or other care that the Permitted User may receive.

Conduct

I understand that all Permitted Users may only use the Common Areas & Facilities if the Permitted User fully and faithfully abides by all rules and regulations of the Association (as currently exist or may be amended), and the Permitted User obeys any directives from the Association’s staff. Any failure to do so may result in such remedial action as the Association deems appropriate, which may include, but not be limited to, suspension of access to, or use of, the Common Areas & Facilities. I understand that I am fully responsible for the safety and conduct of, and I will hold the Association harmless with respect to, any Permitted User or any other person (with or without my permission) who uses my card, key or credentials to gain access to the Common Areas & Facilities.

This Release is intended to be as broad and inclusive as permitted by law. If any clause or provision of this Release is held to be invalid by any court of competent jurisdiction, the invalidity of such clause or provision shall not affect the remaining provisions of this Release which shall continue to be fully enforceable.

This system will help safeguard the pool, its furniture and pool house from misuse and vandalism. Each homeowner and household member 18 years of age or older with a smartphone that signs a waiver may receive OpenPath access. A homeowner that requires a keycard may request one and only one below. The keycards will go to the owner of record. Replacement cards, if lost, stolen, or damaged, will be \$30.00.
